COOPERATIVE AGREEMENT FOR
STATE PLANNING PROJECT

THIS AGREEMENT made and entered into as of the date specified on Schedule I hereto (the "Term Sheet," which is fully incorporated herein and made a part hereof) as the "Agreement Date," by and between the OHIO WATER DEVELOPMENT AUTHORITY, a body corporate and politic organized and existing under the provisions of Chapter 6121 of the Revised Code of Ohio (hereinafter referred to as the "OWDA") and the governmental body specified as the "LGA" on the Term Sheet (hereinafter referred to as the "LGA"), a governmental body organized and existing under the laws of the State of Ohio and acting pursuant to an ordinance or a resolution passed by the legislative authority thereof on the date specified on the Term Sheet as the Resolution Date.

W I T N E S S E T H:

WHEREAS, the OWDA has been created, among other reasons, to carry forward the declared public policy of the State of Ohio to preserve, protect, upgrade, conserve, develop, utilize and manage the water resources of the state, to prevent or abate the pollution of water resources, to promote the beneficial use of waters of the state for the protection and preservation of the health, safety, convenience, and welfare, and the improvement of the economic welfare and employment opportunities of and the creation of jobs for the people of the state, and to assist and cooperate with other governmental agencies in achieving such purposes through the establishment, operation and maintenance of water development projects pursuant to Chapter 6121 of the Revised Code; and

WHEREAS, the utility system (hereinafter referred to as the "System") of the LGA will require the supply of services from the construction, operation and maintenance of new or additional facilities (which facilities are hereafter referred to as the "Project Facilities"); and

WHEREAS, the construction of the Project Facilities requires the planning of such facilities and construction and the financing of such planning; and

WHEREAS, the OWDA and LGA have determined to enter into this Agreement to set forth their respective obligations with respect to the financing of the planning activities contemplated hereby;

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained, the parties hereto do hereby agree as follows:

ARTICLE I - DEFINITIONS

Except where the context clearly indicates otherwise, the following terms as used in this Agreement shall have the meaning ascribed to them in this Article:

(a) “Approved Application” means the application, dated as of the date specified on the Term Sheet as the “LGA Application Date,” submitted to the OWDA together with all attachments, supporting documentation, amendments and supplements thereto as approved by the OWDA on the date specified on the Term Sheet as the “OWDA Application Approval Date,” together with any amendments thereto approved by the LGA and the OWDA after the date of this Agreement.

(b) “Consulting Engineer” means the firm identified as such in the Term Sheet, from whom the LGA has received a proposal to perform the engineering services contemplated hereby.

(c) “Contract Interest Rate” means the rate specified as such on the Term Sheet.

(d) “Contract Period of Years” means, subject to Section 3.3 hereof, the period commencing on the date specified in the Term Sheet as the “Initial Payment Date” and ending on the earlier of (i) the tenth Payment Date, or (ii) the date on which the LGA obtains long-term financing for the Project Facilities. In the event that the LGA obtains a subsequent loan from the OWDA for planning costs of the Project Facilities, then the Contract Period of Years for such loan shall expire no later than the expiration of the Contract Period of Years hereunder.

(e) “Default Rate” means a rate equal to the Contract Interest Rate plus three percentage points.

(f) “Eligible Project Costs” shall include, whether incurred before or after the date of this Agreement (but if incurred prior to the date hereof, subject to the restrictions set forth in the first proviso below), the following planning costs of the Project Facilities costs incurred in the preparation of preliminary engineering data, cost estimates, and schedules for completion of design and construction, schematic flow diagrams, unit processes, design data regarding detention times, flow rates, sizing of units, descriptions of the selected complete treatment systems of which the proposed facilities are a part, infiltration/inflow documentation, and cost-effectiveness analysis, and preparation of detailed plans, construction drawings and specifications; costs of printing and publishing the notices and legislation required; costs incurred for the acquisition of real property or interests therein, subject to the second proviso set forth below; legal expenses; administrative expenses of the OWDA in the amount of 0.35% of all Eligible Project Costs other than such administrative expenses or \$400, whichever is greater; and all other costs and expenses necessary or incident to determining the feasibility or practicability of constructing the proposed Project Facilities or preparatory to the acquisition and construction of the Project Facilities or otherwise described on Exhibit A, minus the amount of any grant applicable to the foregoing costs from the United States of America or any department or agency thereof; provided, however, that Eligible Project Costs shall include costs incurred prior to the

date hereof only if and to the extent that, in the opinion of nationally recognized bond counsel satisfactory to the OWDA, the payment of such costs by the OWDA would not cause the interest on any debt obligations of the OWDA to cease to be excluded from gross income for purposes of federal income taxation; and provided further, however, that Eligible Project Costs shall include costs for the acquisition of real property or interests therein (other than easements) only if the OWDA shall have received from the LGA reasonably sufficient assurances as to environmental matters related to such real property. Notwithstanding anything contained herein to the contrary, Eligible Project Costs shall not include any commissions, fees and/or expenses which may be owed by the LGA to a broker or finder as a result of or in connection with the OWDA's agreement to pay the Eligible Project Costs to the LGA as provided herein.

(j) "Initial Payment Date" means the first January 1 or July 1 that occurs after the first anniversary of the date of this Agreement.

(l) "Payment Date" means the Initial Payment Date and each January 1 and July 1 thereafter during the Contract Period of Years.

(g) "Pledged Revenues" means the revenues derived by the LGA from the ownership and operation of the System (including, without limitation, any Special Assessment Funds), net of the costs of operating and maintaining the System and paying all amounts required to be paid under any Mortgage, Indenture, of Mortgage, Trust Agreement or other instrument heretofore or hereafter entered into by the LGA to secure debt obligations heretofore or hereafter issued or incurred by the LGA for the System.

(h) "Original Loan Amount" means those Eligible Project Costs that are paid with moneys disbursed out of funds of the OWDA, which costs shall in no event exceed the amount specified on the Term Sheet as the "Maximum Original Loan Amount."

(i) "Semiannual Payment Obligations" means the amounts payable semiannually by the LGA to amortize the Original Loan Amount over the Contract Period of Years with interest on the outstanding balance of the Original Loan Amount at the Contract Interest Rate, based upon the following requirements: (i) the Semiannual Payment Obligations payable on the Initial Payment Date and on each Payment Date thereafter to and including the ninth Payment Date shall each consist of one-fortieth (1/40) of the Original Loan Amount; and (ii) the Semiannual Payment Obligation payable on the tenth Payment Date shall, subject to Section 3.3 hereof, consist of :

(A) the Original Loan Amount, minus

(B) the portions of the Original Loan Amount paid prior to the tenth Payment Date, plus

(C) interest on each portion of the Original Loan Amount at the Contract Interest Rate from the date of its disbursement by the OWDA to the tenth Payment Date, net of an interest credit at the Contract Interest Rate for each payment of any portion of the Original Loan Amount from the date of such payment to the tenth Payment Date.

An estimate of the Semiannual Payment Obligations based on the Maximum Original Loan Amount and the Contract Interest Rate is specified on the Term Sheet beneath the Maximum Original Loan Amount.

If any Payment Date occurs prior to the final determination of the Original Loan Amount, the Semiannual Payment Obligation payable on that date shall be based upon the best figures available at the time the computation of such Semiannual Payment Obligation is required to be made. When such final costs are known, the Semiannual Payment Obligation shall be recomputed, and the next following Semiannual Payment Obligation shall be either increased or decreased by an amount sufficient to correct for any overpayment or underpayment resulting from underestimate or overestimate of the Original Loan Amount (but not from any prepayment of any portion of the Original Loan Amount) through the date of such recomputation, so that the total amount received by OWDA over the Contract Period of Years will be the same amount as would have been received had the final Original Loan Amount been used in computing the Semiannual Payment Obligations at the commencement of the Contract Period of Years.

(i) “Special Assessment Funds” means the proceeds from the special assessments to be hereafter levied, if any, by the LGA to pay all or a portion of the cost of the Project Facilities.

ARTICLE II - PERFORMANCE OF PLANNING ACTIVITIES AND RECORD KEEPING AND PAYMENTS RELATING THERETO

Section 2.1. Subject to the terms and conditions of this Agreement, the LGA shall perform or cause to be performed the planning activities set forth in Exhibit A attached hereto and made a part hereof, including the employment of the Consulting Engineer pursuant to its proposal.

Section 2.2. The LGA shall keep accurate records of the Eligible Project Costs. All requests submitted by the LGA for the payment or reimbursement of incurred Eligible Project Costs shall include evidence of the costs incurred and will be prepared so that such costs may be readily itemized and identified as to grant eligible costs and non-grant eligible costs. The LGA shall permit the OWDA, acting by and through the Executive Director of the OWDA or his authorized representatives, to inspect all books, documents, papers and records relating thereto at any and all reasonable times for the purpose of audit and examination, and the LGA shall submit to the OWDA such documents and information as they may require in connection therewith.

Section 2.3. Subject to the terms and conditions of this Agreement, the Eligible Project Costs shall be paid by the OWDA.

Section 2.4. The OWDA shall deliver to the LGA a certificate, certifying that moneys in the amount necessary to pay the Eligible Project Costs obligated or to be obligated up to the Maximum Original Loan Amount are available or are in the process of collection and have been encumbered by the OWDA. When such Eligible Project Costs have been incurred and payment requested from the OWDA by the LGA in form and detail satisfactory to the OWDA, the OWDA shall cause to be delivered checks in payment of the invoices, demands for payment, approved contractors’ estimates or other evidence of cost incurrence to the persons or entities

entitled to payment in conformity with the encumbrance of funds to pay such obligated Eligible Project Costs.

Section 2.5. The LGA shall promptly notify the OWDA in writing when the planning activities for the Project Facilities have been completed and when no further Eligible Project Costs are to be paid with OWDA disbursements under this Agreement.

Section 2.6. Notwithstanding anything contained herein to the contrary, the obligation of the OWDA to pay Eligible Project Costs pursuant to the terms and conditions of this Agreement shall expire two (2) years from the date hereof. Upon the expiration of the aforesaid period of years, the OWDA shall not be obligated to pay any additional Eligible Project Costs to the LGA hereunder. In the event that the OWDA, in its sole discretion, decides to pay additional Eligible Project Costs after the expiration of its obligation to do so hereunder, it shall so notify the LGA. No such decision by the OWDA to pay any additional Eligible Project Costs hereunder shall be deemed to constitute an extension of its obligation to pay Eligible Project Costs hereunder.

ARTICLE III - PAYMENTS BY LGA

Section 3.1. Subject to the further provisions hereinafter set forth, the LGA agrees to pay, and shall pay, to the OWDA on each Payment Date the Semiannual Payment Obligation, but solely from the Pledged Revenues. In the event that the LGA pays less than the full amount due hereunder on any date, then the amount so paid shall be applied first to interest payable hereunder, then to late charges payable hereunder, and then to the Original Loan Amount payable hereunder.

The obligation of the LGA to pay the charges set forth shall not be assignable, and the LGA shall not be discharged therefrom, without the prior written consent of the OWDA. In the event that the LGA defaults in the payment of any of the charges set forth in this Section 3.1, the amount of such default shall bear interest at the Default Rate from the date of the default until the date of the payment thereof. Interest at the Default Rate shall be calculated for the actual number of days of default from the due date until payment on the basis of a 360-day year. If the LGA does not pay any of the charges set forth in this Section 3.1 on or before the 30th day after the due date, in addition to the interest calculated at the Default Rate, a "late charge" of one percent (1%) on the amount of each default shall also be paid to the OWDA by the LGA for failure to make the payment as provided herein. Thereafter, for each additional 30 days during which the charges remain unpaid, the LGA shall continue to pay an additional late charge of one percent (1%) on the amount of such default until such charges are paid. Late charges shall apply to defaulted Semiannual Payment Obligations, interest and defaulted interest, and prior late charges. In no event shall the OWDA collect interest or late charges in excess of the maximum amount permitted by law. In addition to the foregoing, in the event of a default as aforesaid, all of the costs incurred by the OWDA in curing such default, including, but not limited to, court costs and attorney fees, shall be paid as part of the Eligible Project Costs hereunder and shall be repaid by the LGA to the OWDA as part of the Original Loan Amount.

Anything in this Agreement to the contrary notwithstanding, neither the general resources of the LGA shall be required to be used, nor shall the general credit of the LGA be

pledged for the performance of any duty under this Agreement, but any payment to be made under this Agreement shall be required to be made only from the Pledged Revenues, which are hereby pledged to such payment; provided, however, that, if otherwise lawful, nothing herein shall be deemed to prohibit the LGA from using, of its own volition, any of its general resources for the fulfillment of any of the terms and conditions of this Agreement.

The LGA may at any time and from time to time pay all or any portion of the Original Loan Amount prior to the time such payment is due hereunder, and may do so from the proceeds of long-term financing for the Project Facilities (whether obtained through the OWDA or by other means) or from any other legally available funds. Upon the receipt of any prepayment of all or any portion of the Original Loan Amount, the OWDA shall credit such payment in the same manner that it would credit the payment of a portion of the Original Loan Amount made through the payment of a Semiannual Payment Obligation.

Section 3.2. The LGA hereby agrees that: (a) it will at all times prescribe and charge such rates for the services of the System as shall result in Pledged Revenues, at least adequate to provide for the payments required by Section 3.1 hereof; (b) the LGA will furnish to the OWDA annually reports of the operation and income of the System and also an annual report of the accounts and operations of the System and will permit the authorized agent of the OWDA to inspect all records, accounts and data of the System at all reasonable times; (c) the LGA will segregate the revenues, funds and properties of the System from all other funds and properties of the LGA; and (d) if and to the extent that the Approved Application indicates that any of the payments to be made by the LGA hereunder are to be made from revenues derived from special assessments, the LGA will take all actions required to be taken under all applicable laws of the State and all applicable charter, ordinance or resolution provisions of the LGA to collect such special assessments to the full extent required to pay all amounts payable to the OWDA hereunder in full when due. All of the obligations under this Section are hereby established as duties specifically enjoined by law and resulting from an office, trust or station upon the LGA within the meaning of R.C. Section 2731.01.

Section 3.3. If, prior to the tenth Payment Date, the LGA submits a written request, duly authorized by its legislative authority, to the OWDA, stating that the LGA does not expect to obtain long-term financing for the Project Facilities prior to the tenth Payment Date, and requesting that the Contract Period of Years be extended to permit the LGA to amortize the Original Loan Amount over a longer period, then OWDA may (but shall be under no obligation to) agree to extend the Contract Period of Years, provided that: (i) on each Payment Date thereafter during the extended Contract Period of Years, the LGA shall be obligated to pay no less than one-fortieth (1/40) of the Original Loan Amount plus all accrued interest on the outstanding balance of the Original Loan Amount at the Contract Interest Rate; (ii) in any event, the latest date by which the Original Loan Amount shall be required to be fully repaid with all accrued interest thereon shall be no later than the fortieth (40th) Payment Date; (iii) the OWDA shall not approve any such request unless it determines that the LGA has demonstrated to the OWDA's satisfaction that the LGA's Pledged Revenues are and can reasonably be expected to remain sufficient to meet the LGA's payment obligations during the proposed extension of the Contract Period of Years; and (iv) upon any failure of the LGA to make a full and timely payment of its payment obligations during the proposed extension of the Contract Period of Years, then the full amount of the outstanding balance of the Original Loan Amount and all

interest accrued thereon at the Contract Interest Rate shall become immediately due and payable, with interest thereon accruing thereafter at the Default Rate. If the OWDA agrees to such an extension of the Contract Period of Years, it shall prepare a revised Term Sheet that supersedes the initial Term Sheet, setting forth the length of the extended Contract Period of Years and the Semiannual Payment Obligations of the LGA during that period.

ARTICLE IV - - REPRESENTATIONS AND AGREEMENTS OF THE LGA
IN REGARD TO ENVIRONMENTAL MATTERS; EVENTS OF
DEFAULT AND REMEDIES THEREFOR; INDEMNIFICATION

Section 4.1. The LGA hereby represents that:

(a) It is, and the LGA hereby covenants that it shall remain, in compliance with all applicable federal, state and local environmental laws and regulations during the Contract Period of Years;

(b) There is no litigation or administrative action or proceeding pending or, to the best of its knowledge, threatened against the LGA, alleging a violation of any federal, state or local environmental law or regulation applicable to the System except as set forth in the attached;

(c) No judgment or consent order has been rendered against it nor is it a party to any agreement, which consent order, judgment or agreement imposes, will impose or has imposed any fines or monetary penalties for the violation of any federal, state or local environmental law or regulation applicable to the System that have not been paid in full except as set forth in the attached; and

(d) If and to the extent that the Approved Application indicates that any of the payments to be made by the LGA hereunder are to be made from revenues derived from special assessments, the LGA has taken all actions required to be taken under all applicable laws of the State and all applicable charter, ordinance or resolution provisions of the LGA in order for such assessments to be levied at the times and in the amounts necessary to enable the LGA to pay all amounts payable to the OWDA hereunder in full when due, and has provided to the Authority a certified copy of all ordinances or resolutions authorizing the levy of such special assessments, all of which are in full force and effect.

Section 4.2. The LGA agrees that each of the following shall be an event of default ("Event of Default") under this Agreement:

(a) The LGA shall fail to make any payment to the OWDA required pursuant to this Agreement when the same is due and payable, including, without limitation, any amount due and payable pursuant to Article III hereof.

(b) The LGA shall fail to observe and perform any obligations, agreements or provisions herein, which failure shall continue for thirty (30) days after receipt of written notice thereof from the OWDA.

(c) Any representations made by the LGA in Section 4.1. shall at any time during the Contract Period of Years prove to be false.

Section 4.3. Whenever an Event of Default shall have happened and be subsisting, the OWDA may exercise any and all rights and remedies for the enforcement of the obligations of the LGA hereunder. In addition to any other rights or remedies provided herein, by law or otherwise, the OWDA may, to the extent permitted under any judgment, consent order or agreement affecting the LGA, require the LGA to agree to subordinate the payment of any fines or penalties imposed for the violation of any federal, state or local environmental law or regulation applicable to the System to the payment of the Project Participation Principal Amount and the interest and any late charges due thereon, and the LGA hereby agrees to use its best efforts to effect such subordination.

Section 4.4. No right or remedy conferred upon the OWDA under Section 4.3 hereof is intended to be exclusive of any other right or remedy given herein, by law or otherwise. Each right or remedy shall be cumulative and shall be in addition to every other remedy given herein, by law or otherwise.

Section 4.5. The LGA releases the OWDA from, agrees that the OWDA shall not be liable for, and agrees, to the fullest extent permitted by law, to hold the OWDA, its officers, employees and agents harmless against, any loss or damage to property, or any loss or injury to or death of any person, or any other loss or damage, that may be occasioned by any cause whatsoever pertaining to the System, the Project, or the use thereof; provided that such indemnity under this Section shall not be effective for damages that result from negligent or intentional acts of the OWDA, its officers, employees and agents. The LGA further agrees, to the fullest extent permitted by law, to indemnify and hold harmless the OWDA and its officers, employees and agents against and from any and all cost, liability, expenses and claims arising from any breach or default on the part of the LGA in the performance of any covenant or agreement on the part of the LGA to be performed pursuant to the terms of this Agreement, arising from the acquisition, construction, installation, or improvement of the Project or arising from any act or negligence of or failure to act by the LGA, or any of its agents, contractors, servants, employees or licensees, or arising from any accident, injury or damage whatsoever caused to any person, firm, or corporation resulting from the Project or the System (other than any accident, injury, or damage that results from negligent or intentional acts of the OWDA, its officers, employees and agents), and from and against all cost, liability and expenses incurred in or in connection with any such claim or action, arbitration or proceeding brought thereon.

In case any action or proceeding be brought against the OWDA by reason of any claim described in this Section, the OWDA agrees to cause written notice of such action or proceeding to be given to the LGA, and the LGA upon notice from the OWDA covenants to resist or defend such action or proceedings at the LGA's expense including all legal and other expenses (including reasonable attorneys' fees).

Each party agrees that the venue of any suit, action or proceedings relating to this Agreement will be the courts of the County of Franklin, Ohio or the Ohio Supreme Court, and each party irrevocably waives any objection that it may have to that venue and waives any right to trial by jury for any such suit, action or proceedings.

ARTICLE V - MISCELLANEOUS PROVISIONS

Section 5.1. Any invoice, accounting, demand, or other communication under this Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prep aid, return receipt requested, or delivered personally, and

Any provision of the Agreement requiring the approval of the OWDA or the satisfaction or evidence of satisfaction of the OWDA, shall be interpreted as requiring action by the Executive Director of the OWDA granting, authorizing or expressing such approval or satisfaction, as the case may be, unless such provision expressly provides otherwise.
