## **2019 Research and Development Grant Program Announcement and Request for Proposals**

The Ohio Water Development Authority (OWDA) is seeking research and development proposals to address issues related to wastewater, drinking water, water resource management, solid waste management and energy resource development in Ohio. Projects require a minimum 1:1 dollar match ratio (OWDA can fund no more than 50% of the project). Additionally, OWDA participation with a specific project is capped at \$200,000.

### **Eligibility:**

The eligible participants are Local Government Agencies (Cities, Villages, and Counties), Water/Sewer Districts, Conservancy Districts, State agencies or Institutions of higher learning that perform research and/or development.

### **Program Schedule:**

Friday, June 7, 2019 at 5:00 PM  
Application deadline

Thursday, August 8, 2019 at 9:00 AM  
First public meeting – Applicant presentations

Thursday, August 29, 2019 at 9:30 AM  
Second public meeting – Review of applications followed by presentation of recommendations to Board

Thursday, September 26, 2019  
Regularly scheduled Board meeting – Board approval of R&D Grants.

### **Application and Submission Guidelines:**

Electronic copies of proposals responding to this announcement should be emailed to Dan Gill at [dgill@owda.org](mailto:dgill@owda.org).

### **Inquiries:**

Please contact Dan Gill ([dgill@owda.org](mailto:dgill@owda.org) or 614-728-6144) with any questions regarding this program.
