The LGA further agrees that the OWDA and its duly authorized agents shall have such rights of access to the Project Site and Project Facilities as may be reasonably necessary to enable the OWDA to exercise its rights pursuant to Section 5.8 hereof.

ARTICLE III – ORIGINAL ACQUISITION OF PROJECT SITE, CONSTRUCTION OF PROJECT FACILITIES AND PAYMENT OF REFUNDED DEBT

Section 3.1. Subject to the terms and conditions of this Agreement, the LGA shall have done all things necessary to construct the Project Facilities on the Project Site (which the LGA hereby represents has been acquired by the LGA).

In connection with the construction of the Project Facilities, the LGA represents that:

(a) The construction of the Project Facilities on the Project Site was performed in compliance with all applicable federal, state and local environmental laws and regulations in effect as of the date of the construction thereof.

(b) All laborers and mechanics employed on the Project Facilities were paid at the prevailing rates of wages of laborers and mechanics for the class of work called for by the Project Facilities, which wages were determined in accordance with the requirements of Chapter 4115, Ohio Revised Code, for determination of prevailing wage rates.

Section 3.2. The LGA hereby represents that (a) it has operated the Project Facilities and the System, or caused them to be operated, in compliance with all applicable federal, state and local environmental laws and regulations in effect during such period, and (b) the Project Facilities and the System, including all appurtenances thereto and the equipment and machinery therein, have been kept in good repair and good operating condition so that the Project Facilities and System continue to be operated with substantially the same efficiency as when first constructed.

Section 3.4. The LGA represents and agrees that it will not seek or obtain alternative funding for the Refinancing without the prior written consent of the OWDA. Section 3.5. OWDA shall pay the proceeds of the Loan Amount to the entity identified in the Term Sheet (e.g. the existing holder of the Refunded Debt or an escrow or paying agent) on the date as identified in the Term Sheet.

ARTICLE IV - PAYMENTS BY LGA

Section 4.1. Subject to the further provisions hereinafter set forth, the LGA agrees to and shall pay semiannually on January 1 and July 1 of each year of the Contract Period of Years, commencing on the First Payment Date (each such date a "Due Date"), to the OWDA, but solely from the Pledged Revenues, the Semiannual Payment Obligation. In the event that the LGA pays less than the full amount due hereunder on any Due Date, then the amount so paid shall be applied first to interest payable hereunder, then to any late charges payable hereunder, and then to the Loan Amount payable hereunder. The LGA acknowledges and agrees that the OWDA afforded the LGA the opportunity to choose between a schedule of payments based on equal principal payments and one based on equal debt service payments and that the estimated Semiannual Payment Obligation shown on the Term Sheet reflect the choice of the LGA.

The obligation of the LGA to pay the charges set forth shall not be assignable, and the LGA shall not be discharged therefrom, without the prior written consent of the OWDA. In the event that services supplied by the Project Facilities or any other portion of the System shall cease or be suspended for any reason, the LGA shall continue to be obligated to pay the charges pursuant to this Section 4.1, but solely from the Pledged Revenues. If the LGA does not pay any of the charges set forth in this Section 4.1 on or before the 5th day after the Due Date, the amount of such default shall bear interest at the Default Rate from the Due Date until the date of the payment thereof. Interest at the Default Rate shall be calculated for the actual number of days of default from the Due Date until

payment on the basis of a 360 day year. If the LGA does not pay any of the charges set forth in this Section 4.1 on or before the 30th day after the Due Date, in addition to the interest calculated at the Default Rate, a "late charge" of one percent (1%) on the amount of each default shall also be paid to the OWDA by the LGA from the Pledged Revenues for failure to make the payment as provided herein. Thereafter, for each additional thirty (30) days during which the charges remain unpaid, the LGA shall continue to pay from the Pledged Revenues an additional late charge of one percent (1%) on the amount of such default until such charges are paid. In no event shall the OWDA collect interest or late charges in excess of the maximum amount permitted by law. In addition to the foregoing, in the event of a default as aforesaid, all of the costs incurred by the OWDA in curing such default including, but not limited to, court costs and attorney fees, shall (to the extent not previously repaid to the OWDA and to the fullest extent permitted by law) be paid as part of the Eligible Project Costs hereunder and be repaid by the LGA to the OWDA as part of the Loan Amount.

Anything in this Agreement to the contrary notwithstanding, neither the general resources of the LGA shall be required to be used, nor shall the general credit of the LGA be pledged for the performance of any duty under this Agreement, but any payment to be made under this Agreement shall be required to be made only from the Pledged Revenues, which are hereby pledged to such payment; provided, however, that, if otherwise lawful, nothing herein shall be deemed to prohibit the LGA from using, of its own volition, any of its general resources for the fulfillment of any of the terms and conditions of this Agreement.

Section 4.2. It is agreed that, no later than June 15 and December 15 of each year of the Contract Period of Years, the OWDA shall invoice the LGA for the sum payable by the LGA pursuant to Section 4.1 and that payment of each such invoice shall be made by the LGA to the OWDA not later than the first day of the following month. No failure by the OWDA to send any such invoice and no failure by the LGA to receive any such invoice shall relieve the LGA from its obligation to pay the amount due hereunder on the applicable Due Date.

Section 4.3. The LGA hereby agrees that: (a) it will at all times prescribe and charge such rates for the services of the System as shall result in Pledged Revenues at least adequate to provide for the payments required by Section 4.1 hereof and shall from time to time at the request of the Authority cause a study of the sufficiency of the LGA's rates for that purpose to be done by an independent expert acceptable to the OWDA; (b) the LGA will furnish to the OWDA annually reports of the operation and income of the System and also an annual report of the accounts and operations of the System and such other documents as the OWDA may reasonably request in order to respond to requests for documentation from rating agencies or providers or potential providers of credit enhancement for debt obligations of the OWDA, and the LGA will permit the authorized agent of the OWDA to inspect all records, accounts and data of the System at all reasonable times; and (c) that the LGA will segregate the revenues, funds and properties of the System from all other funds and properties of the LGA. All of the obligations under this Section are hereby established as duties specifically enjoined by law and resulting from an office, trust or station upon the LGA within the meaning of Section 2731.01 of the Ohio Revised Code.

Section 4.4. In order to enable the OWDA to comply with the requirements of federal securities laws (including, without limitation, Rule 10b-5 and Rule 15c2-12 ("Rule 15c2- 12") each promulgated by the Securities and Exchange Commission (the "SEC") under the Securities Exchange Act of 1934, as amended), the LGA agrees to prepare and file with the OWDA or, at the direction of the OWDA, to file with the Municipal Securities Rulemaking Board ("MSRB") through the EMMA System (as

defined below), any annual financial information or material events disclosures that the OWDA may determine it requires to achieve such compliance. The LGA consents to the OWDA's incorporation by reference into OWDA official statements or other OWDA filings with the MSRB of any official statements or portions thereof, financial statements, or other documents that the LGA may have filed or may file with the MSRB. In the event the LGA fails to prepare any financial statement or other financial information that this Section requires the LGA to prepare and file with or at the direction of the OWDA, then the OWDA shall have the right (in addition to any other rights it may have to enforce the obligations of the LGA hereunder) to inspect all records, accounts and data of the System and cause the preparation of the required financial statement or information and to employ such professionals as it may reasonably require for that purpose, and to be reimbursed from any available Pledged Revenues for the costs of its doing so. This Section shall not be construed to limit the generality of Section 4.3 hereof. For purposes of this Section 4.3, "EMMA System" shall mean the Electronic Municipal Market Access system of the MSRB for use in the collection and dissemination of information, which system the SEC has stated to be consistent with its Rule 15c2-12. Currently, the website address for EMMA is emma.msrb.org. The LGA acknowledges that the OWDA is not responsible for any of the LGA's required filings under Rule 15c2-12 related to other indebtedness of the LGA, including, but not limited to, as to whether this Agreement is considered a "Financial Obligation" under Rule 15c2-12.

ARTICLE V - MAINTENANCE, OPERATION, INSURANCE AND CONDEMNATION

Section 5.1. The LGA agrees that during the Contract Period of Years that: (a) it will, subject to its right to contest in good faith the issue of non-compliance, operate the Project Facilities and the System, or cause them to be operated, in compliance with all applicable federal, state and local environmental laws and regulations in effect during such period, and (b) it will, subject to its right to discontinue use or operation of the Project Facilities or the System or any part thereof in accordance with this Agreement, keep the Project Facilities and the System, including all appurtenances thereto and the equipment and machinery therein, or cause them to be kept, in good repair and good operating condition so that the Project Facilities and System will continue to operate with substantially the same efficiency as when first constructed.

The LGA shall have the privilege of making additions, modifications and improvements to, making deletions from and discontinuing the use or operation of all or any part of, the Project Site, the Project Facilities, and the System from time to time; provided, that the cost of any additions, modifications and improvements shall be paid by the LGA, and the same shall be the property of the LGA and be included under the terms of this Agreement as part of the Project Site or the Project Facilities, as the case may be, and the System; and provided further that the LGA shall make no modification to, make any deletion from or discontinue the use or operation of all or any part of, the Project Site, the Project Facilities, or the System, the result of which would be a material decrease in the Pledged Revenues without first obtaining the written consent of the OWDA thereto.

Section 5.2. The LGA agrees that it will not discontinue operation of the Project Facilities or any other part of the System without meeting all conditions to and requirements for such discontinuance imposed by law and this Agreement. The LGA agrees that it will provide adequate operation and maintenance of the Project Facilities and the System to comply with all applicable water quality standards established for the river basin served by the Project Facilities and with all applicable rules and regulations of the Director of Environmental Protection of Ohio. The LGA agrees that sufficient qualified operating personnel will be retained by the LGA to operate the Project Facilities and

the System, or will be required to be obtained by any independent contractor engaged by the LGA to operate the Project Facilities and the System or any portion thereof, and that all operational tests and measurements necessary to determine compliance with the preceding sentence will be performed to insure proper and efficient operation and maintenance of the Project Facilities and each other part of the System until the end of the Contract Period of Years or the discontinuance of the operation of the Project Facilities or of such other part of the System in accordance with Section 5.1 and this Section 5.2.

The LGA will permit the OWDA and its agents to have access to the records of the LGA pertaining to the operation and maintenance of the Project Facilities and the System at any reasonable time.

Section 5.3. The LGA agrees to insure, or cause to be insured, the Project Facilities and the System in such amounts as similar properties are usually insured by political subdivisions similarly situated, against loss or damage of the kinds usually insured against by political subdivisions similarly situated, by means of policies issued by reputable insurance companies duly qualified to do such business in the State of Ohio.

Section 5.4. Any insurance policy issued pursuant to Section 5.3 hereof shall be so written or endorsed as to make losses, if any, payable to the OWDA and the LGA as their respective interests may appear. Each insurance policy provided for in Sections 5.3 and 5.6 hereof shall contain a provision to the effect that the insurance company shall not cancel the same without first giving written notice thereof to the OWDA and the LGA at least ten (10) days in advance of such cancellation.

Section 5.5. The net proceeds of the insurance carried pursuant to the provisions of Sections 5.3 and 5.6 hereof shall be applied as follows: (i) the net proceeds of the insurance required in Section 5.3 hereof shall be applied as provided in Section 5.9 hereof, and (ii) the net proceeds of the insurance required in Section 5.6 hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

Section 5.6. The LGA agrees that it will carry, or will cause to be carried, public liability insurance with reference to the Project Facilities with one or more reputable insurance companies duly qualified to do business in the State of Ohio, in minimum amounts of \$500,000 for the death of or personal injury to one person and \$1,000,000 for personal injury or death for each occurrence in connection with the Project Facilities and \$500,000 for property damage for any occurrence in connection with the Project Facilities. The OWDA shall be made an additional insured under such policies.

Section 5.7. Throughout the Contract Period of Years, the LGA shall maintain Workers' Compensation Coverage or cause the same to be maintained in accordance with state law.

Section 5.8. In the event the LGA shall fail to maintain, or cause to be maintained, the full insurance coverage required by this Agreement or shall fail to keep, or cause to be kept, the Project Facilities in good repair and operating condition, or shall fail to operate, or cause to be operated, the Project Facilities in accordance with Section 5.2 hereof, the OWDA may (but shall be under no obligation to) take out the required policies of insurance and pay the premiums on the same or may make such repairs or replacements as are necessary or may hire the necessary operating personnel to insure compliance with Section 5.2 and provide for payment thereof; and all amounts so advanced therefor by the OWDA shall become an additional obligation of the LGA to the OWDA which amounts,

together with interest thereon at the Contract Interest Rate or at the rate of eight per centum (8%) per annum, whichever is greater, from the date thereof, the LGA agrees to pay.

Section 5.9. If prior to the completion of the Contract Period of Years the Project Facilities shall be damaged or partially or totally destroyed by fire, flood, windstorm or other casualty, there shall be no abatement or reduction in the amounts payable by the LGA pursuant to Section 4.1 hereof, and the LGA will (i) promptly repair, rebuild or restore the property damaged or destroyed, and (ii) apply for such purpose so much as may be necessary of any net proceeds of insurance policies resulting from claims for such losses as well as any additional moneys of the LGA necessary therefor. All net proceeds of insurance resulting from claims for such losses shall be paid to the LGA.

Section 5.10. In the event that title to or the temporary use of the Project Site the Project Facilities, or the System, or any part thereof, shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, there shall be no abatement or reduction in the amounts payable by the LGA pursuant to Section 4.1 hereof, and any net proceeds received from any award made in such eminent domain proceedings shall be paid to and held by the LGA in a separate condemnation award account and shall be applied by the LGA in either or both the following ways as shall be determined by the LGA:

(a) The restoration of the facilities of the System to substantially the same condition as they existed prior to the exercise of said power of eminent domain, or

(b) The acquisition of additional real estate, if necessary, and facilities, by construction or otherwise, equivalent that, when added to the remaining real estate and facilities of the System, will cause the System to be substantially the equivalent of the System as it existed prior to the exercise of said power of eminent domain, which real estate and facilities shall be deemed a part of the Project Site or the Project Facilities, as the case may be, and the System, without the payment of any amounts other than herein provided, to the same extent as if such real estate and facilities were specifically described herein.

Any balance of the net proceeds of the award in such eminent domain proceedings shall be paid to the LGA upon delivery to the OWDA of a certificate signed by an authorized officer of the LGA that the LGA has complied with either paragraph (a) or (b), or both, of this Section. The OWDA shall cooperate fully with the LGA in the handling and conduct of any prospective or pending condemnation proceedings with respect to the Project Site, the Project Facilities, the System, or any part thereof. In no event will the LGA voluntarily settle or consent to the settlement of any prospective or pending condemnation proceedings with respect to the Project Site, the Project Facilities, the System or any part thereof without the written consent of the OWDA.

Section 5.11. The LGA shall comply with all laws, ordinances, orders, rules and regulations (including, without limitation, all environmental laws) that may be applicable to it and the Project Site, the Project Facilities and the System, if the failure to comply could have a material adverse effect on the security for this Agreement, or the LGA's ability to repay when due its obligations under this Agreement, subject to its right to contest in good faith the issue of non-compliance.

ARTICLE VI - REPRESENTATIONS AND AGREEMENTS OF THE LGA IN
REGARD TO ENVIRONMENTAL MATTERS; EVENTS OF DEFAULT AND
REMEDIES THEREFOR; INDEMNIFICATION

Section 6.1. The LGA hereby represents that:

(a) It is, and the LGA hereby covenants that it shall remain, in compliance with all applicable federal, state and local environmental laws and regulations applicable to the System during the Contract Period of Years, subject to its right to contest in good faith the issue of non-compliance;

(b) There is no litigation or administrative action or proceeding pending or, to the best of its knowledge, threatened against the LGA, alleging a violation of any federal, state or local environmental law or regulation applicable to the System except as set forth in the attached; and

(c) No judgment or consent order has been rendered against it, nor is it a party to any agreement, which consent order, judgment or agreement imposes, will impose or has imposed any fines or monetary penalties for the violation of any federal, state or local environmental law or regulation applicable to the System that have not been paid in full except as set forth in the attached.

Section 6.2. The LGA agrees that each of the following shall be an event of default ("Event of Default") under this Agreement:

(a) The LGA shall fail to make any payment to the OWDA required pursuant to this Agreement when the same is due and payable, including, without limitation, any amount due and payable pursuant to Article IV hereof; or

(b) The LGA shall fail to observe and perform any other obligations, agreements or provisions herein, which failure shall continue for thirty (30) days after receipt of written notice thereof from the OWDA; provided, however, that such failure shall not constitute an Event of Default under this Agreement if the LGA demonstrates both of the following to the satisfaction of the OWDA: i) cure of such failure cannot be effected within thirty (30) days; and ii) the LGA is taking all reasonably necessary actions to cure such failure with all deliberate speed.

(c) Any representations made by the LGA in Section 3.1 or Section 6.1. shall at any time during the Contract Period of Years prove to be false.

Section 6.3. Whenever an Event of Default shall have happened and be subsisting, the OWDA may exercise any and all rights and remedies for the enforcement of the obligations of the LGA hereunder. In addition to any other rights or remedies provided herein, by law or otherwise, the OWDA may:

(a) declare the full amount of the then unpaid Loan Amount to be immediately due and payable;

(b) to the extent permitted under any judgment, consent order or agreement affecting the LGA, require the LGA to agree to subordinate the payment of any fines or penalties imposed for the violation of any federal, state or local environmental law or regulation applicable to the System to the payment of the Loan Amount and the interest and any late charges due thereon, and the LGA hereby agrees to use its best efforts to effect such subordination.

Section 6.4. No right or remedy conferred upon the OWDA under Section 6.3 hereof is intended to be exclusive of any other right or remedy given herein, by law or otherwise. Each right or

remedy shall be cumulative and shall be in addition to every other remedy given herein, by law or otherwise.

Section 6.5. The LGA releases the OWDA from, agrees that the OWDA shall not be liable for, and agrees, to the fullest extent permitted by law, to hold the OWDA, its officers, employees and agents harmless against, any loss or damage to property, or any loss or injury to or death of any person, or any other loss or damage, that may be occasioned by any cause whatsoever pertaining to the System, the Project Facilities, or the use thereof; provided that such indemnity under this Section shall not be effective for damages that result from negligent or intentional acts of the OWDA, its officers, employees and agents. The LGA further agrees, to the fullest extent permitted by law, to indemnify and hold harmless the OWDA and its officers, employees and agents against and from any and all cost, liability, expenses and claims arising from any breach or default on the part of the LGA in the performance of any covenant or agreement on the part of the LGA to be performed pursuant to the terms of this Agreement, arising from the Refinancing or the acquisition, construction, installation, or improvement of the Project Facilities or arising from any act or negligence of or failure to act by the LGA, or any of its agents, contractors, servants, employees or licensees, or arising from any accident, injury or damage whatsoever caused to any person, firm, or corporation resulting from the Project Facilities or the System (other than any accident, injury, or damage that results from negligent or intentional acts of the OWDA, its officers, employees and agents), and from and against all cost, liability and expenses incurred in or in connection with any such claim or action, arbitration or proceeding brought thereon.

In case any action or proceeding be brought against the OWDA by reason of any claim described in this Section, the OWDA agrees to cause written notice of such action or proceeding to be given to the LGA, and the LGA upon notice from the OWDA covenants to resist or defend such action or proceedings at the LGA's expense including all legal and other expenses (including reasonable attorneys' fees).

Section 6.6 Each party agrees that the venue of any suit, action or proceedings relating to this Agreement will be the courts of the County of Franklin, Ohio or the Ohio Supreme Court, and each party irrevocably waives any objection that it may have to that venue and waives any right to trial by jury for any such suit, action or proceedings.

ARTICLE VII - PRIVATE BUSINESS USE RESTRICTIONS

Section 7.1. The LGA acknowledges that the OWDA may issue tax-exempt bonds to provide the funds to meet OWDA's obligations with regard to funding the applicable program and that the maintenance of the tax-exempt status of any such bonds will depend, in part, on the LGA's compliance with the provisions of this Agreement. Accordingly, the LGA agrees as follows:

(a) That it shall take no action that would cause bonds issued by the OWDA, the proceeds of which could fund this Agreement (the "OWDA Bonds") to fail to qualify as tax-exempt bonds, nor omit to take any action necessary to maintain such status;

(b) That it shall take any action that the OWDA reasonably may request it to take to maintain the status of the OWDA Bonds as tax-exempt bonds;

(c) That, to assure that the OWDA Bonds will not be or become "private activity bonds" within the meaning of 26 U.S.C.A. Section 141 of the Internal Revenue Code of 1986, as amended:

(i) The LGA shall not permit, at any time ten percent (10%) or more (in the aggregate) of that portion of the Project Facilities to be financed with funds borrowed from the OWDA hereunder (the "OWDA Funds") to be used by any person or persons for any private business use (as hereinafter defined) while at the same time the payment of principal of, or the interest on, the OWDA Funds is directly or indirectly (A) secured by any interest in (1) property used or to be used for a private business use or (2) payments made with respect to such property or (B) derived from (1) payments with respect to such property (whether or not made to the OWDA) or (2) borrowed money used or to be used for private business use.

(ii) No portion of the OWDA Funds will be used to make or finance loans to persons other than other governmental units.

For purposes of this Agreement, "private business use" means use (directly or indirectly) in a trade or business carried on by any person other than a governmental unit (as hereinafter defined). Use of any Project Facility or Project Site as a member of the general public will not be considered a private business use. Any activity carried on by a person other than a natural person shall be treated as a trade or business. Use by an organization which qualifies under 26 U.S.C.A. Section 501(c)(3) of the Internal Revenue Code of 1986, as it may be amended from time to time, shall be considered a private business use.

For purposes of this Agreement, "governmental unit" means a political subdivision within the United States, including any political subdivision within the State of Ohio, but does not mean the United States or any of its governmental branches, departments or agencies.

If there is any question about the application of the foregoing restrictions relating to private business uses or loans, the LGA agrees to immediately write the OWDA requesting assistance prior to entering into any agreement which may be prohibited as provided herein.

(iii) The LGA shall not re-loan, directly or indirectly, any portion of the amounts advanced to it under this Agreement to any person;

(d) That, to assure that the OWDA Bonds will not be or become "arbitrage bonds" within the meaning of 26 U.S.C.A. Section 148 of the Internal Revenue Code of 1986, as amended, the LGA, except upon the prior written consent of the OWDA, shall not create or permit to exist any fund pledged to, or expressly reserved exclusively for, the payment of amounts payable by the LGA hereunder.

Section 7.2. The OWDA shall not be required to, and shall not, consent to any action by the LGA referred to in Section 7.1 unless it first shall have received an opinion of nationally recognized bond counsel to the effect that the consummation of the transaction or transactions contemplated by such action will not adversely affect the tax-exempt status of the OWDA bonds.

Section 7.3. If the LGA shall have any question about the application of Section 7.1., in the particular circumstances faced by it at any time during the term of this Agreement, it shall immediately inform the OWDA of the circumstances and request the OWDA's assistance to resolve any such questions, to the end that the tax-exempt status of the OWDA Bonds and of the OWDA's bonds would be preserved.
