

GRANT AGREEMENT FOR CONSTRUCTION, MAINTENANCE
AND OPERATION OF STATE WASTEWATER PROJECT

THIS GRANT AGREEMENT made and entered into as of the date specified on Schedule I hereto (the "Term Sheet," which is fully incorporated herein and made a part hereof) as the "Agreement Date," by and between the OHIO WATER DEVELOPMENT AUTHORITY, a body corporate and politic organized and existing under the provisions of Chapter 6121 of the Revised Code of Ohio (hereinafter referred to as the "OWDA") and the governmental body specified as the "LGA" on the Term Sheet including its contractors, agents, and successors, (hereinafter referred to as the "LGA"), a governmental body organized and existing under the laws of the State of Ohio and acting pursuant to an ordinance or a resolution passed by the legislative authority thereof on the date specified on the Term Sheet as the Resolution Date;

WITNESSETH:

WHEREAS, the OWDA has been created, among other reasons, to carry forward the declared public policy of the State of Ohio to preserve, protect, upgrade, conserve, develop, utilize and manage the water resources of the state, to prevent or abate the pollution of water resources, to promote the beneficial use of waters of the state for the protection and preservation of the comfort, health, safety, convenience, and welfare, and the improvement of the economic and general welfare and employment opportunities of and the creation of jobs for the people of the state, and to assist and cooperate with other governmental agencies in achieving such purposes through the establishment, operation and maintenance of water development projects pursuant to Chapter 6121 of the Revised Code; and

WHEREAS, the wastewater system (hereinafter more fully defined and referred to as the "System") of the LGA will require the supply of services (the "Services") for the treatment or disposal of wastewater (in the case of a wastewater project) from the construction, operation and maintenance of new or additional facilities (which facilities are hereafter referred to as the "Project Facilities"); and

WHEREAS, the LGA is desirous of obtaining the Services for the System in cooperation with the OWDA; and

WHEREAS, the OWDA is willing to cooperate with the LGA in obtaining such Services, and the LGA has given the OWDA reasonable assurances that the LGA will fulfill its obligations hereunder; and

WHEREAS, the OWDA and LGA have determined to enter into this Agreement to set forth their respective obligations with respect to the financing, construction, operation and ownership of the Project Facilities;

WHEREAS, the LGA's Application conforms with program requirements and applicable laws as specified in Chapter 6121 of the Revised Code;

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained, the parties hereto do hereby agree as follows:

(d) "System" means the facilities of the LGA specified as the "System" on the Term Sheet.

DEFINITIONS RELATING TO COSTS

(e) "Eligible Project Costs" shall include, whether incurred before or after the date of this Agreement (but if incurred prior to the date hereof, subject to the restrictions set forth in the first proviso below), the following costs of the Project Facilities and the Project Site, if applicable: the purchase price of the Project Site when acquired by purchase, or the value thereof when appropriated as found by the jury, together with the costs of the proceedings and the damages assessed in favor of any owner of the adjoining lands and interests therein, subject to the second proviso set forth below; the cost of demolishing or removing any buildings or structures on the Project Site, including the cost of acquiring any lands to which such buildings or structures may be removed, subject to the second proviso set forth below; the costs of construction of the Project Facilities including, but not limited to, the cost of all machinery, furnishings and equipment included therein; engineering expenses for the Project Facilities including, but not limited to, the cost of preliminary and other surveys, the cost of preparing plans, estimates and specifications, the cost of all necessary soil and other investigations and laboratory testing, and resident engineering and inspection fees; the cost of printing and

publishing the notices and legislation required; legal expenses; any obligation for the repayment of borrowed money incurred by the LGA to the OWDA under any Cooperative Agreement for State Planning Project between the LGA and OWDA with respect to the Project Facilities, and any other necessary miscellaneous expenditures; and provided further, however, that Eligible Project Costs shall include costs for the acquisition of real property or interests therein (other than easements) only if the OWDA shall have received from the LGA reasonably sufficient assurances, satisfactory to the OWDA, as to environmental matters related to such real property. Notwithstanding anything contained herein to the contrary, Eligible Project Costs shall not include any commissions, fees and/or expenses which may be owed by the LGA to a broker or finder as a result of or in connection with the OWDA's agreement to pay the Eligible Project Costs to the LGA as provided herein.

DEFINITIONS RELATING TO PARTICIPATION IN COSTS

(f) "Original Grant Amount" means those Eligible Project Costs that are paid with moneys disbursed out of funds of the OWDA, which costs shall in no event exceed the amount specified on the Term Sheet as the "Maximum Original Grant Amount."

(g) "Contract Period of Years" means the period of the Contract Term specified in the Term Sheet.

ARTICLE II - PROPERTY INTERESTS IN PROJECT SITE AND PROJECT FACILITIES AND RIGHTS OF ACCESS THERETO

Section 2.1. All real estate and interests in real estate and all personal property constituting the Project Facilities and the Project Site shall be acquired by and shall be the property of the LGA.

Section 2.2. The LGA agrees that the OWDA and its duly authorized agents shall have the right at all reasonable times to enter upon the Project Site and Project Facilities and to examine and inspect the same. The LGA further agrees that the OWDA and its duly authorized agents shall have such rights of access to the Project Site and Project Facilities as may be reasonably necessary to enable the OWDA to exercise its rights pursuant to Section 5.8 hereof.

ARTICLE III - ACQUISITION OF PROJECT SITE, CONSTRUCTION OF PROJECT FACILITIES AND PAYMENT OF COSTS THEREOF

Section 3.1. Grant Award and Disbursements. In consideration of the mutual covenants by and between the parties hereto, the parties agree as follows:

(a) Grant Award. OWDA hereby awards to the LGA a grant not to exceed the Original Grant Amount from the money from the Un-Sewered Area Assistance Program for the purpose of construction of the Project Facilities of the System as set forth in the Approved Application.

Costs or expenditures incurred by the LGA or LGA's contractors, employees, or agents for items or services that are not Eligible Project Costs related to the contract in Exhibit B or that exceed

the amount of the Original Grant Amount may not be paid out or reimbursed from the grant. Any grant-related expenditures must be an Eligible Project Cost. Subject to the terms and conditions of this Agreement, the Eligible Project Costs shall be paid by the OWDA.

This Agreement is for a Contract Period of Years that begins when the OWDA's Executive Director signs the agreement. Unless otherwise approved by OWDA, requests for reimbursement must be received within this specified time limit. After that time, the grant account will be closed and any residual funds will revert back to OWDA. Any extension to the project or reimbursement time limit shall be made in writing and directed to the OWDA's Deputy Executive Director of Program Operations. The reasons for the extension and the proposed amount of time extension should be a part of that request. Extensions will be granted at the sole discretion of OWDA.

(b) Grant Method of Disbursement. The LGA agrees that all payments made under this grant award represent reimbursements based on actual costs and are made based upon LGA's satisfactory performance of LGA's obligations under this Agreement.

Upon the Agreement Date of this Agreement, the LGA may request disbursements from the grant award for Eligible Project Costs that meet the eligibility criteria.

All such disbursements will be requested through the OWDA website or through process and form as prescribed by OWDA. The parties to this Agreement expect that Eligible Project Costs directly associated with implementing the Project Facilities of the System as set forth in the Approved Application will be disbursed by the OWDA to the LGA to be paid by the LGA to the contractors supplying materials or performing services in furtherance of this Agreement which have been designated by the LGA as authorized recipients of such disbursements. Any grant proceeds disbursed to LGA not used to pay the approved invoice for disbursement under this Agreement shall be returned to OWDA within sixty days of the LGA receiving the grant funds.

The LGA shall deposit and maintain the grant proceeds and shall disburse proceeds directly to only the contractors supplying materials or performing services in furtherance of this Agreement and for Eligible Project Costs with invoices approved by OWDA. Upon OWDA's request, the LGA shall promptly furnish to OWDA cancelled checks and corresponding invoices showing the disbursements of the grant proceeds from this account.

Section 3.2. Construction of Project Facilities. Subject to the terms and conditions of this Agreement, the LGA shall do all things necessary to construct the Project Facilities on the Project Site (which the LGA hereby represents has been acquired by the LGA) by means of the construction contract(s) specified on Exhibit B hereto. The LGA shall use its best efforts to cause the Project Facilities to be fully operational by the date specified on the Term Sheet as the "Operational Date."

In connection with the construction of the Project Facilities, the LGA agrees that:

(a) The construction contract(s) will provide that the representatives of the OWDA will have access to the work whenever it is in preparation or progress and that the contractor will provide proper facilities for such access and inspection.

(b) The construction of the Project Facilities on the Project Site will be performed in compliance with all applicable federal, state and local environmental laws and regulations in effect as of the date hereof.

(c) All laborers and mechanics employed on the Project Facilities shall be paid at the prevailing rates of wages of laborers and mechanics for the class of work called for by the Project Facilities, which wages shall be determined in accordance with the requirements of Chapter 4115, Ohio Revised Code, for determination of prevailing wage rates.

(d) Prior to the commencement of construction, the LGA will arrange and conduct a preconstruction conference to include representatives of the OWDA, the LGA and the consulting or resident engineers of the LGA and each contractor.

(e) Each construction contract and contractor's estimate form will be prepared so that materials and equipment furnished to the LGA may be readily itemized.

(f) All requests submitted by the LGA for the payment or reimbursement of incurred Eligible Project Costs shall include evidence of the costs incurred and will be prepared so that such costs may be readily itemized.

(g) Any change or changes in a construction contract that would increase the contract price by an amount in excess of one percent (1%) or any change or changes regardless of cost that substantially modify the processes contemplated to be performed by the Project Facilities will be submitted to the OWDA for prior approval.

(h) Notification of all change orders not requiring prior approval of the OWDA will be submitted to the OWDA within one (1) month of the time at which they are ordered by the resident or consulting engineer of the LGA.

(i) The construction of the Project Facilities, including the letting of contracts in connection therewith, will conform to applicable requirements of federal, state and local laws, ordinances, rules and regulations.

(j) The LGA will proceed expeditiously with, and complete, the Project Facilities in accordance with the Approved Application and any surveys, plans, profiles, cross sections and specifications or amendments thereto approved by the Director of Environmental Protection of Ohio.

(k) Notwithstanding anything contained herein to the contrary, the obligation of the OWDA to pay Eligible Project Costs pursuant to the terms and conditions of this Agreement shall expire pursuant to the Contract Term of Years. Upon the expiration of the aforesaid period of years, the OWDA shall not be obligated to pay any additional Eligible Project Costs to the LGA hereunder. In the event that the OWDA, in its sole discretion, decides to pay additional Eligible Project Costs after the expiration of its obligation to do so hereunder, it shall

so notify the LGA. No such decision by the OWDA to pay any additional Eligible Project Costs hereunder shall be deemed to constitute an extension of its obligation to pay Eligible Project Costs hereunder.

Except as otherwise provided in this Agreement, the LGA shall have the sole and exclusive charge of all details of the construction of the Project Facilities.

Section 3.3. Records and Access. The LGA shall keep accurate records of the Eligible Project Costs. The LGA shall permit the OWDA, acting by and through the Executive Director of the OWDA or his authorized representatives, to inspect all books, documents, papers and records relating thereto at any and all reasonable times for the purpose of audit and examination, and the LGA shall submit to the OWDA such documents and information as they may reasonably require in connection therewith. LGA shall preserve all account statements, documents and other records associated with this Agreement and this project for a minimum of five (5) years after termination of this Agreement.

The LGA shall keep and make available to the Ohio Auditor of State all books and records, financial or otherwise, pertinent to the administration and operation of this project. LGA shall keep such books and records in a manner consistent with generally accepted accounting procedures in a common file to facilitate audits by the Ohio Auditor of State.

Section 3.4. Performance and Payment Bonds. The LGA shall require that each construction contractor shall furnish a performance and payment bond in an amount at least equal to one hundred percent (100%) of the contractor's contract price as security for the faithful performance of the contractor's contract.

Section 3.5. Insurance. The LGA shall require that each of its contractors and all subcontractors maintain during the life of their contracts, Workers' Compensation Insurance, Public Liability, Property Damage, and Vehicle Liability Insurance, in amounts and on terms that comply with all applicable legal requirements and that are commercially reasonable. Until the Project Facilities are completed and accepted by the LGA, the LGA or (at the option of the LGA) the contractor shall maintain Builders Risk Insurance (fire and extended coverage) on a one hundred percent (100%) basis (completed value form) on the insurable portion of the Project Facilities for the benefit of the OWDA, the LGA, the prime contractor, and all subcontractors, as their respective interests may appear.

Section 3.6. Engineering Services. The LGA shall provide and maintain competent and adequate resident engineering services satisfactory to the OWDA covering the supervision and inspection of the development and construction of the Project Facilities and bearing the responsibility of ensuring that construction conforms with the approved surveys, plans, profiles, cross sections and specifications and certifying to the OWDA and the LGA at the completion of construction that construction is in accordance with the approved surveys, plans, profiles, cross sections and specifications or approved amendments thereto.

Section 3.7. Termination. In the event this Agreement is terminated by the OWDA pursuant to, and not in breach of, the provisions of this Agreement, or by subsequent agreement of the parties, or in the event this Agreement is terminated by the LGA, whether or

not in breach of the Agreement, the Eligible Project Costs incurred prior to the date of the commencement of the construction of the Project Facilities or the date of such termination, whichever is earlier, shall be paid by the LGA. If such termination takes place following the date of the commencement of the construction of the Project Facilities, all Eligible Project Costs incurred following such commencement date and prior to the date of termination, with the exception of all costs attributable to the acquisition of the Project Site, shall be borne by: (1) the LGA if this Agreement is terminated at such time by the LGA; or (2) by the OWDA if this Agreement is terminated at such time by the OWDA, but in any event, all costs attributable to the acquisition of the Project Site shall be borne by the LGA. Any moneys paid by either party hereto pursuant to this Agreement which become the obligation of the other party under the provisions of this Section shall be repaid in not more than three (3) years after termination with interest on the outstanding balances at the interest rate set forth in R.C. 126.30. The interest charge shall be at the rate per calendar month that equals one-twelfth of the rate per annum prescribed by section [5703.47](#) of the Revised Code for the calendar year that includes the month for which the interest charge accrues. The amount of the interest charge that remains unpaid at the end of each month, including amounts under ten dollars, shall be added to the principal amount of the debt and thereafter the interest charge shall accrue on the principal amount of the debt plus the added interest charge. The LGA must repay grant funds with interest pursuant to this provision, if the funds are improperly spent, including but not limited to being used to pay expenses other than Eligible Project Costs for the approved vendors or contractors' invoices.

The LGA, upon receipt of notice of termination, shall not incur any new obligations and shall take all necessary and appropriate steps to limit disbursements and minimize costs and obligations, including cancelling as many outstanding obligations as possible. If requested by the OWDA, the LGA shall promptly furnish a report that describes the status of all work under this Agreement as of the date of receipt of the termination notice.

The LGA agrees to waive any right to, and shall make no claim for, additional compensation against the OWDA by reason of such termination.

Section 3.8. False or Misleading Application. The OWDA may decline to deliver any further certificates of availability of funds pursuant to Section 3.8 hereof from and after any determination by the OWDA that any information furnished to the OWDA, in writing or otherwise, in connection with the LGA's application for the transactions contemplated by this Agreement was false or misleading in any material respect or that such information omitted any other information needed to make the information furnished not false or misleading in any material respect.

Section 3.9. Certification of Funds. Subject to Section 3.7 hereof, the OWDA shall deliver to the LGA a certificate, certifying that moneys in the amount necessary to pay the Eligible Project Costs obligated or to be obligated up to the Original Grant Amount are available or are in the process of collection and have been encumbered by the OWDA.

When such Eligible Project Costs have been incurred and payment requested from the OWDA by the LGA in form and detail satisfactory to the OWDA, the OWDA shall cause to be delivered checks in payment of the invoices, demands for payment, approved contractors'

estimates or other evidence of cost incurrence to the persons or entities entitled to payment in conformity with the encumbrance of funds set forth to pay such obligated Eligible Project Costs.

Section 3.10. Other Funding. The LGA represents and agrees that it will not seek or obtain alternative funding for the Eligible Project Costs of the Project Site and the Project Facilities without the prior written consent of the OWDA. The LGA acknowledges that the OWDA may inform potential and actual investors of bonds issued by the OWDA regarding the details of this Agreement, and that such investors may make an investment decision based on this Agreement.

Section 3.11. Final Accounting. Upon completion of the Project Facilities, the LGA shall make a full and complete accounting to the OWDA of the final Eligible Project Costs.

ARTICLE IV – [RESERVED]

ARTICLE V - MAINTENANCE, OPERATION, INSURANCE AND CONDEMNATION

Section 5.1. The LGA agrees that: (a) it will, subject to its right to contest in good faith the issue of non-compliance, operate the Project Facilities and the System, or cause them to be operated, in compliance with all applicable federal, state and local environmental laws and regulations in effect during such period, and (b) it will, subject to its right to discontinue use or operation of the Project Facilities or the System or any part thereof in accordance with this Agreement, keep the Project Facilities and the System, including all appurtenances thereto and the equipment and machinery therein, or cause them to be kept, in good repair and good operating condition so that the completed Project Facilities and System will continue to operate with substantially the same efficiency as when first constructed.

The LGA shall have the privilege of making additions, modifications and improvements to, making deletions from and discontinuing the use or operation of all or any part of, the Project Site, the Project Facilities, and the System from time to time; provided, that the cost of any additions, modifications and improvements shall be paid by the LGA, and the same shall be the property of the LGA and be included under the terms of this Agreement as part of the Project Site or the Project Facilities, as the case may be, and the System.

Section 5.2. The LGA agrees that it will commence, or will cause to be commenced, operation of the Project Facilities immediately upon the completion of the construction thereof and the receipt of any governmental approvals required for the commencement of their operation, and will not discontinue operation of the Project Facilities or any other part of the System without meeting all conditions to and requirements for such discontinuance imposed by law and this Agreement. The LGA agrees that it will provide adequate operation and maintenance of the Project Facilities and the System to comply with all applicable water quality standards established for the river basin served by the Project Facilities and with all applicable rules and regulations of the Director of Environmental Protection of Ohio. The LGA agrees that sufficient qualified operating personnel will be retained by the LGA to operate the Project Facilities and the System, or will be required to be obtained by any

independent contractor engaged by the LGA to operate the Project Facilities and the System or any portion thereof, and that all operational tests and measurements necessary to determine compliance with the preceding sentence will be performed to insure proper and efficient operation and maintenance of the Project Facilities and each other part of the System until the end of the Contract Period of Years or the discontinuance of the operation of the Project Facilities or of such other part of the System in accordance with Section 5.1 and this Section 5.2.

The LGA will permit the OWDA and its agents to have access to the records of the LGA pertaining to the operation and maintenance of the Project Facilities and the System at any reasonable time.

Section 5.3. The LGA agrees to insure, or cause to be insured, the Project Facilities and the System in such amounts as similar properties are usually insured by political subdivisions similarly situated, against loss or damage of the kinds usually insured against by political subdivisions similarly situated, by means of policies issued by reputable insurance companies duly qualified to do such business in the State of Ohio.

Section 5.4. Any insurance policy issued pursuant to Section 5.3 hereof shall be so written or endorsed as to make losses, if any, payable to the OWDA and the LGA as their respective interests may appear. Each insurance policy provided for in Sections 5.3 and 5.6 hereof shall contain a provision to the effect that the insurance company shall not cancel the same without first giving written notice thereof to the OWDA and the LGA at least ten (10) days in advance of such cancellation.

Section 5.5. The net proceeds of the insurance carried pursuant to the provisions of Sections 5.3 and 5.6 hereof shall be applied as follows: (i) the net proceeds of the insurance required in Section 5.3 hereof shall be applied as provided in Section 5.9 hereof, and (ii) the net proceeds of the insurance required in Section 5.6 hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

Section 5.6. The LGA agrees that it will carry, or will cause to be carried, public liability insurance with reference to the Project Facilities with one or more reputable insurance companies duly qualified to do business in the State of Ohio, in minimum amounts of \$500,000 for the death of or personal injury to one person and \$1,000,000 for personal injury or death for each occurrence in connection with the Project Facilities and \$500,000 for property damage for any occurrence in connection with the Project Facilities. The OWDA shall be made an additional insured under such policies.

Section 5.7. Throughout the life of the Project Facilities, the LGA shall maintain Workers' Compensation Coverage or cause the same to be maintained in accordance with state law.

Section 5.8. In the event the LGA shall fail to maintain, or cause to be maintained, the full insurance coverage required by this Agreement or shall fail to keep, or cause to be kept, the Project Facilities in good repair and operating condition, or shall fail to operate, or cause to be operated, the Project Facilities in accordance with Section 5.2 hereof, the OWDA may (but shall be under no obligation to) take out the required policies of insurance and pay the

premiums on the same or may make such repairs or replacements as are necessary or may hire the necessary operating personnel to insure compliance with Section 5.2 and provide for payment thereof; and all amounts so advanced therefor by the OWDA shall become an additional obligation of the LGA to the OWDA which amounts, together with interest thereon at a rate of no greater than eight per centum (8%) per annum, from the date thereof, the LGA agrees to pay.

Section 5.9. If prior to the completion of the Contract Period of Years the Project Facilities shall be damaged or partially or totally destroyed by fire, flood, windstorm or other casualty, the LGA will (i) promptly repair, rebuild or restore the property damaged or destroyed, and (ii) apply for such purpose so much as may be necessary of any net proceeds of insurance policies resulting from claims for such losses as well as any additional moneys of the LGA necessary therefor. All net proceeds of insurance resulting from claims for such losses shall be paid to the LGA.

Section 5.10. In the event that title to or the temporary use of the Project Site, the Project Facilities, or the System, or any part thereof, shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, any net proceeds received from any award made in such eminent domain proceedings shall be paid to and held by the LGA in a separate condemnation award account and shall be applied by the LGA in either or both the following ways as shall be determined by the LGA:

(a) The restoration of the facilities of the System to substantially the same condition as they existed prior to the exercise of said power of eminent domain, or

(b) The acquisition of additional real estate, if necessary, and facilities, by construction or otherwise, equivalent that, when added to the remaining real estate and facilities of the System, will cause the System to be substantially the equivalent of the System as it existed prior to the exercise of said power of eminent domain, which real estate and facilities shall be deemed a part of the Project Site or the Project Facilities, as the case may be, and the System, without the payment of any amounts other than herein provided, to the same extent as if such real estate and facilities were specifically described herein.

Any balance of the net proceeds of the award in such eminent domain proceedings shall be paid to the LGA upon delivery to the OWDA of a certificate signed by an authorized officer of the LGA that the LGA has complied with either paragraph (a) or (b), or both, of this Section. The OWDA shall cooperate fully with the LGA in the handling and conduct of any prospective or pending condemnation proceedings with respect to the Project Site, the Project Facilities, the System, or any part thereof. In no event will the LGA voluntarily settle or consent to the settlement of any prospective or pending condemnation proceedings with respect to the Project Site, the Project Facilities, the System or any part thereof without the written consent of the OWDA.

ARTICLE VI - REPRESENTATIONS AND AGREEMENTS
OF THE LGA IN REGARD TO ENVIRONMENTAL MATTERS;
EVENTS OF DEFAULT AND REMEDIES THEREFOR;
INDEMNIFICATION

Section 6.1. Representations. The LGA hereby represents that:

(a) It is, and the LGA hereby covenants that it shall remain, in compliance with all applicable federal, state and local environmental laws and regulations applicable to the System during the Contract Period of Years subject to its right to contest in good faith the issue of non-compliance;

(b) There is no litigation or administrative action or proceeding pending or, to the best of its knowledge, threatened against the LGA, alleging a violation of any federal, state or local environmental law or regulation applicable to the System except as set forth in the attached;

(c) No judgment or consent order has been rendered against it, nor is it a party to any agreement, which consent order, judgment or agreement imposes, will impose or has imposed any fines or monetary penalties for the violation of any federal, state or local environmental law or regulation applicable to the System that have not been paid in full except as set forth in the attached; and

Section 6.2. Default. The LGA agrees that each of the following shall be an event of default (“Event of Default”) under this Agreement:

(a) The LGA shall fail to observe and perform any obligations, agreements or provisions herein, which failure shall continue for thirty (30) days after receipt of written notice thereof from the OWDA; provided, however, that such failure shall not constitute an Event of Default under this Agreement if the LGA demonstrates both of the following to the satisfaction of the OWDA: i) cure of such failure cannot be effected within thirty (30) days; and ii) the LGA is taking all reasonably necessary actions to cure such failure with all deliberate speed.

(b) Any representations made by the LGA in Section 6.1 shall at any time during the Contract Period of Years prove to be false.

Section 6.3. Enforcement. Whenever an Event of Default shall have happened and be subsisting, the OWDA may exercise any and all rights and remedies for the enforcement of the obligations of the LGA hereunder, including but not limited to demanding the full payment of the grant proceeds to be paid back to the OWDA.

Section 6.4. Remedies. No right or remedy conferred upon the OWDA under Section 6.3 hereof is intended to be exclusive of any other right or remedy given herein, by law or otherwise. Each right or remedy shall be cumulative and shall be in addition to every other remedy given herein, by law or otherwise.

Section 6.5. Liability. The LGA releases the OWDA from, agrees that the OWDA shall not be liable for, and agrees, to the fullest extent permitted by law, to hold the OWDA, its officers, employees and agents harmless against, any loss or damage to property, or any loss or injury to or death of any person, or any other loss or damage, that may be occasioned by any cause whatsoever pertaining to the System, the Project Facilities, or the use thereof; provided that such indemnity under this Section shall not be effective for damages that result from negligent or intentional acts of the OWDA, its officers, employees and agents. The LGA further agrees, to the fullest extent permitted by law, to indemnify and hold harmless the OWDA

and its officers, employees and agents against and from any and all cost, liability, expenses and claims arising from any breach or default on the part of the LGA in the performance of any covenant or agreement on the part of the LGA to be performed pursuant to the terms of this Agreement, arising from the acquisition, construction, installation, or improvement of the Project Facilities or arising from any act or negligence of or failure to act by the LGA, or any of its agents, contractors, servants, employees or licensees, or arising from any accident, injury or damage whatsoever caused to any person, firm, or corporation resulting from the Project Facilities or the System (other than any accident, injury, or damage that results from negligent or intentional acts of the OWDA, its officers, employees and agents), and from and against all cost, liability and expenses incurred in or in connection with any such claim or action, arbitration or proceeding brought thereon.

In case any action or proceeding be brought against the OWDA by reason of any claim described in this Section, the OWDA agrees to cause written notice of such action or proceeding to be given to the LGA, and the LGA upon notice from the OWDA covenants to resist or defend such action or proceedings at the LGA's expense including all legal and other expenses (including reasonable attorneys' fees).

Section 6.6 Venue. Each party agrees that the venue of any suit, action or proceedings relating to this Agreement will be the courts of the County of Franklin, Ohio or the Ohio Supreme Court, and each party irrevocably waives any objection that it may have to that venue and waives any right to trial by jury for any such suit, action or proceedings.

Section 6.7 Governing Law. This Agreement is governed by the laws of the State of Ohio as to all matters, including any challenge to its validity, enforceability, construction, effect, and performance.

ARTICLE VII - PRIVATE BUSINESS USE RESTRICTIONS

Section 7.1. The LGA acknowledges that the OWDA may issue tax-exempt bonds to provide the funds to meet OWDA's obligations with regard to funding the applicable program and that the maintenance of the tax-exempt status of any such bonds will depend, in part, on the LGA's compliance with the provisions of this Agreement. Accordingly, the LGA agrees as follows:

(a) That it shall take no action that would cause bonds issued by the OWDA, the proceeds of which could fund this Agreement (the "OWDA Bonds") to fail to qualify as tax-exempt bonds, nor omit to take any action necessary to maintain such status;

(b) That it shall take any action that the OWDA reasonably may request it to take to maintain the status of the OWDA Bonds as tax-exempt bonds;

(c) That, to assure that the OWDA Bonds will not be or become "private activity bonds" within the meaning of 26 U.S.C.A. Section 141 of the Internal Revenue Code of 1986, as amended:

(i) The LGA shall not permit, at any time ten percent (10%) or more (in the aggregate) of that portion of the Project Facilities to be financed with funds granted from the OWDA hereunder (the "OWDA Funds") to be used by any person or persons for any private business use (as hereinafter defined) while at the same time the payment of principal of, or the interest on, the OWDA Funds is directly or indirectly (A) secured by any interest in (1) property used or to be used for a private business use or (2) payments made with respect to such property or (B) derived from (1) payments with respect to such property (whether or not made to the OWDA) or (2) borrowed money used or to be used for private business use.

(ii) No portion of the OWDA Funds will be used to make or finance loans to persons other than other governmental units.

For purposes of this Agreement, "private business use" means use (directly or indirectly) in a trade or business carried on by any person other than a governmental unit (as hereinafter defined). Use of any Project Facility or Project Site as a member of the general public will not be considered a private business use. Any activity carried on by a person other than a natural person shall be treated as a trade or business. Use by an organization which qualifies under 26 U.S.C.A. Section 501(c)(3) of the Internal Revenue Code of 1986, as it may be amended from time to time, shall be considered a private business use.

For purposes of this Agreement, "governmental unit" means a political subdivision within the United States, including any political subdivision within the State of Ohio, but does not mean the United States or any of its governmental branches, departments or agencies.

If there is any question about the application of the foregoing restrictions relating to private business uses or loans, the LGA agrees to immediately write the OWDA requesting assistance prior to entering into any agreement which may be prohibited as provided herein.

(iii) The LGA shall not loan, directly or indirectly, any portion of the amounts paid to it under this Agreement to any person;

(d) That, to assure that the OWDA Bonds will not be or become "arbitrage bonds" within the meaning of 26 U.S.C.A. Section 148 of the Internal Revenue Code of 1986, as amended, the LGA, except upon the prior written consent of the OWDA, shall not create or permit to exist any fund pledged to, or expressly reserved exclusively for, the payment of amounts payable by the LGA hereunder.

Section 7.2.
